Founded in 1963, Labaton Sucharow LLP (“Labaton Sucharow”) is an internationally respected law firm with offices in New York, New York and Wilmington, Delaware and has relationships throughout the U.S., Europe and the world. The Firm consists of more than 60 attorneys and a professional support staff that includes certified public accountants, licensed private investigators, resident securities analysts and 17 paralegals. The Firm prosecutes major complex litigation in the United States, and has successfully conducted a wide array of representative actions (principally class, mass and derivative) in the areas of securities, antitrust, merger/ acquisition, limited partnership, ERISA, product liability, and consumer litigation. Labaton Sucharow’s Investor Protection Litigation Group offers comprehensive services for our institutional investor clients and has recovered, through trial and settlement, more than \$3 billion for the benefit of investors who have been victimized by such diverse schemes as stock price manipulation, mismanagement, and fraudulent offerings of securities. Through its efforts, the litigation group has also obtained meaningful corporate governance reforms to minimize the likelihood of repetitive wrongful conduct. Visit our website at www.labaton.com for more information about our dynamic firm.

CORPORATE GOVERNANCE

Labaton Sucharow is committed to corporate governance reform. Through its leadership of membership organizations which seek to advance the interests of shareholders and consumers, Labaton Sucharow seeks to strengthen corporate governance and support legislative reforms which improve and preserve shareholder and consumer rights.

The Firm is a patron of the John L. Weinberg Center for Corporate Governance of the University of Delaware ("The Center"). The Center provides a forum for business leaders, directors of corporate boards, the legal community, academics, practitioners, graduate and undergraduate students, and others interested in corporate governance issues to meet and exchange ideas. One of Labaton Sucharow's senior partners, Edward Labaton, is a member of the Advisory Committee of The Center. Additionally, Mr. Labaton has served for more than 10 years as a member of the Program Planning Committee for the annual ALL-ABA Corporate Governance Institute, and serves on the Task Force on the Role of Lawyers in Corporate Governance of the Association of the Bar of the City of New York.

On April 1, 2009, Partner Ira Schochet began his two-year term as President of the National Association of Shareholder and Consumer Attorneys (NASCAT), a membership organization of approximately 100 law firms that practice class action and complex civil litigation. Through the aegis of NASCAT and other organizations, the Firm continues to advocate against those who would seek to weaken shareholder and consumer rights through ill-conceived legislative or regulatory action. Continuing its spirit of service, Mr. Schochet follows the path of Chairman Lawrence Sucharow who was privileged to be selected by his peers to serve as President of NASCAT in 2003-2005.

On behalf of its institutional and individual investor clients, Labaton Sucharow has achieved some of the largest precedent-setting settlements since the enactment of the Private Securities Litigation Reform Act of 1995 (“PSLRA”), and has helped avert future instances of securities fraud by negotiating substantial corporate governance reforms as conditions of many of its largest settlements.

Because of the depth of their experience and deep commitment to the principles of corporate governance, many Labaton Sucharow partners have served as featured speakers on topics relating to corporate governance and reform at various symposia and lectures.

As a result of Labaton Sucharow’s extensive experience and commitment to corporate governance reform, the Firm’s clients have secured meaningful reforms, in addition to substantial monetary recoveries, in significant settlements such as:

- ***In re Waste Management, Inc. Securities Litigation***, Civ. No. H-99-2183 (S.D. Tex.): Labaton Sucharow, acting as Lead Counsel for the State of Connecticut Retirement Plans & Trust Funds, caused the Company to present a binding resolution to declassify its board of directors, which was approved by its shareholders. As a consequence of Labaton Sucharow’s efforts, the Company further agreed to amend its Audit Committee charter, which led to its enhanced effectiveness.
- ***In re Vesta Insurance Group Securities Litigation***, Civ. No. CV-98-W-1407-S (N.D. Ala.): Labaton Sucharow, acting as Lead Counsel for the Florida State Board of Administration, caused the Company to adopt provisions requiring that: (i) a majority of its Board members be independent; (ii) at least one independent director be experienced in corporate governance; (iii) the audit,

nominating and compensation committees be comprised entirely of independent directors; and (iv) the audit committee comply with the recommendations of the Blue Ribbon Panel on the effectiveness of audit committees.

- ***In re Orbital Sciences Corporation Securities Litigation***, Civ. No. 99-197-A (E.D. Va.): Labaton Sucharow, acting as Lead Counsel for the New York City Pension Funds, negotiated the implementation of measures concerning the Company's quarterly review of its financial results, the composition, role and responsibilities of its Audit and Finance committee, and the adoption of a Board resolution providing guidelines regarding senior executives' exercise and sale of vested stock options.
- ***In re Bristol-Myers Squibb Securities Litigation***, Civ. No. 00-1990 (D.N.J.): Labaton Sucharow, acting as Lead Counsel for the LongView Collective Investment Fund of the Amalgamated Bank, negotiated noteworthy corporate governance reforms. Bristol-Myers Squibb ("BMS") has agreed to publicly disclose the following information concerning all of its drugs marketed for at least one indication: a description of the clinical study design and methodology; results of the clinical trials; and safety results, including the reporting of adverse events seen during the clinical trials. The disclosures will be posted on BMS's website, www.BMS.com, as well as an industry website, www.clinicalstudyresults.org. BMS has agreed to post these disclosures for a 10-year period following approval of the settlement, and has further agreed that any modifications to the disclosure protocol must be approved by the Court, at the request of Labaton Sucharow as Lead Counsel, unless the modifications increase the scope of the disclosures. The

corporate reform measures obtained in this case exceed the scope of reforms obtained by the New York State Attorney General's office in the settlement of an action against GlaxoSmithKline ("GSK") arising from the sale of Paxil, an antidepressant. The Paxil settlement is limited to drugs sold in the United States, whereas as a result of the BMS settlement, the company must post the clinical trial results of drugs marketed in any country throughout the world.

- ***The Boeing Company***, Civ. No. 03 CH 15039 and Civ. No. 03 CH 16301 (Cook Co., Ill, Ch. Div.): In 2006, Labaton Sucharow, acting as Lead Counsel for Plaintiffs in a derivative class action against the directors of The Boeing Company ("Boeing"), achieved a landmark settlement establishing unique and far-reaching corporate governance standards relating to ethics compliance, provisions that obligated Boeing to contribute significant funds over and above base compliance spending to implement the various prescribed initiatives. The terms were well designed to provide for early detection and prevention of corporate misconduct. They were comprehensive and integrated, enhancing effectiveness by providing for top-down oversight, direction and planning; and buttressed by extensive and coordinated bottom-up and horizontal reporting. They were also designed to enhance Board independence and effectiveness and, by creating a direct reporting role to the Board, the independence of the management level oversight functions.
- ***In re Take-Two Interactive Securities Litigation***, No. 06-CV-803-RJS (S.D.N.Y.): In 2009, Labaton Sucharow, acting as Lead Counsel for Lead Plaintiffs New York City Employees' Retirement System, New York City Police Pension Fund and New York City Fire Department Pension Fund in a securities

class action against Take-Two Interactive Software, Inc. (“Take-Two”) and its officers and directors, achieved significant corporate governance reforms. Take-Two is required to adopt a policy, commonly referred to as “clawback” provision, providing for the recovery of bonus or incentive compensation paid to senior executives in the event that such compensation was awarded based on financial results later determined to have been erroneously reported as a result of fraud or other knowing misconduct by the executive. The Company also is required to adopt a policy requiring that its Board of Directors submit any stockholder rights plan (also commonly known as a “poison pill”) that is greater than 12 months in duration to a vote of stockholders. Finally, Take-Two is required to adopt a bylaw providing that no business may be properly brought before an annual meeting of stockholders by a person other than a stockholder unless such matter has been included in the proxy solicitation materials issued by the Company.

NOTABLE LEAD COUNSEL APPOINTMENTS

Labaton Sucharow’s institutional and individual investor clients are regularly appointed by federal courts to serve as lead plaintiffs in prominent securities litigations brought under the PSLRA. Since January 2003, dozens of state, city and county public pension funds and union funds have selected Labaton Sucharow to represent them in federal securities class actions and advise them as securities litigation/investigation counsel. Listed below are a few of our current notable Lead Counsel appointments.

TRIAL EXPERIENCE

Few securities class action cases go to trial. But when it is in the best interests of its clients and the class, Labaton Sucharow repeatedly has demonstrated its willingness and ability to try these complex securities cases before a jury.

Labaton Sucharow's recognized willingness and ability to bring cases to trial significantly increases the ultimate settlement value for shareholders. For example, in *In re Real Estate Associates Limited Partnership Litigation*, when defendants were unwilling to settle for an amount Labaton Sucharow and its clients viewed as fair, we tried the case with co-counsel for six weeks and obtained a landmark \$184 million jury verdict in November 2002. The jury supported plaintiffs' position that defendants knowingly violated the federal securities laws, and that the general partner had breached his fiduciary duties to plaintiffs. The \$184 million award was one of the largest jury verdicts returned in any PSLRA action and one in which the plaintiff class, consisting of 18,000 investors, recovered 100% of their damages.

NOTABLE SUCCESSES

Labaton Sucharow has achieved notable successes in major securities litigations on behalf of its clients and certified investor classes.

- Labaton Sucharow served as Co-Lead Counsel in *In re HealthSouth Securities Litigation*, Civ. No CV-03-BE-1500-S (N.D. Ala.), a case stemming from the largest fraud ever perpetrated in the healthcare industry. In early 2006, Lead Plaintiffs negotiated a settlement of \$445 million with defendant HealthSouth. This partial settlement, comprised of cash and HealthSouth securities to be distributed to the class, is one of the largest in history. On June 12, 2009, the Court also granted final approval to a \$109 million settlement with defendant Ernst & Young LLP (“E&Y”) believed to be the eighth largest securities fraud class action settlement with an auditor. In addition, on July 26, 2010, the Court granted final approval to a \$117 million partial settlement with the remaining principal defendants in the case, UBS AG, UBS Warburg LLC, Howard Capek, Benjamin Lorello and William McGahan (the “UBS Defendants”). The total value of the settlements for Healthsouth stockholders and Healthsouth bondholders, who were represented by separate counsel, is \$804.5 million, which is the eleventh largest settlement filed after the passage of the PSLRA based on the SCAS 100 for the first quarter of 2010.
- In *In re American International Group, Inc. Securities Litigation*, Master File No. 04 Civ. 8141 (JES) (AJP) (S.D.N.Y.), Lead Counsel Labaton Sucharow represents Lead Plaintiff Ohio Public Employees Retirement System, State Teachers Retirement System of Ohio, and Ohio Police & Fire Pension Fund, along with the Attorney General of the State of Ohio. On October 3, 2008, a \$97.5 million settlement between the Lead Plaintiff and PricewaterhouseCoopers LLP was announced. The settlement, which still must be approved by the Court,

was the eighth largest at the time by an accounting firm to settle a securities fraud class action. On July 16, 2010, an agreement on the terms of a proposed \$725 million settlement was announced, which, if approved by the Court, would resolve the Ohio Funds' claims against AIG and certain individual AIG directors and officers.

- On behalf of the New York State Common Retirement Fund and five New York City public pension funds, Labaton Sucharow serves as Lead Counsel in *In re Countrywide Financial Corporation Securities Litigation*, No. CV 07-05295 MRP (MANx) (C.D. Cal.), for claims alleging that Countrywide, one of the nation's largest mortgage lenders, violated the federal securities laws by making misstatements and omitting material facts about its policies and procedures for underwriting loans that entailed greater risk than disclosed. On May 7, 2010, a settlement was announced whereby Countrywide will separately pay \$600 million and its accounting firm, KPMG LLP, will pay \$24 million. The combined recovery, if approved by the Court, will be among the largest securities fraud settlements in U.S. history. On August 2, 2010, the Court granted preliminary approval to the settlement. The final approval hearing is scheduled to proceed on November 15, 2010.
- *In re Waste Management, Inc. Securities Litigation*, Civ. No. H-99-2183 (S.D. Tex.). In 2002, Judge Melinda Harmon approved an extraordinary settlement that provided for recovery of \$457 million in cash, plus an array of far-reaching corporate governance measures. At that time, this settlement was the largest common fund settlement of a securities action achieved in any court within

the Fifth Circuit and the third-largest achieved in any federal court in the nation. Judge Harmon noted, among other things, that Labaton Sucharow “obtained an outstanding result by virtue of the quality of the work and vigorous representation of the Class.”

- In *In re General Motors Corp. Securities Litigation*, No. 06-1749, (E.D. Mich.), Co-Lead Counsel Labaton Sucharow represented Lead Plaintiffs Deka Investment GmbH and Deka International S.A. Luxembourg in claims alleging that General Motors, and certain of GM’s officers and directors (including CEO Rick Wagoner), issued a series of false and misleading statements to investors about the auto maker’s financial health going back to 2000. On July 21, 2008, a settlement was reached whereby GM will make a cash payment of \$277 million and Defendant Deloitte & Touche LLP, which served as GM’s outside auditor during the period covered by the action, agreed to contribute an additional \$26 million in cash.
- In *In re PaineWebber Limited Partnerships Litigation*, Master File No. 94 Civ. 832/7 (SHS) (S.D.N.Y.), Judge Sidney H. Stein approved a settlement valued at \$200 million and found “that Class Counsel’s representation of the Class has been of high caliber in conferences, in oral arguments and in work product.”
- *Eastwood Enterprises, LLC v. Farha et al.*, 8:07-cv-1940-T-33EAJ (M.D. Fla.). On behalf of The New Mexico State Investment Council and the Public Employees Retirement Association of New Mexico, Co-Lead Counsel for the Class, Labaton Sucharow LLP, negotiated a \$200 million settlement over allegations that WellCare Health Plans, Inc., a Florida-based managed healthcare

service provider, disguised its profitability by overcharging state Medicaid programs. Under the terms of the settlement, which is still subject to approval by the Court, WellCare agreed to pay an additional \$25 million in cash if, at any time in the next three years, WellCare is acquired or otherwise experiences a change in control at a share price of \$30 or more after adjustments for dilution or stock splits.

- In *In re El Paso Corporation Securities Litigation*, Civ. No. H-02-2717 (S.D. Tex.), Labaton Sucharow secured a \$285 million class action settlement against the El Paso Corporation. The case involved a securities fraud stemming from the Company's inflated earnings statements, which cost shareholders hundreds of millions of dollars during a four-year span. The settlement was approved by the Court on March 6, 2007.
- *In re Bristol-Myers Squibb Securities Litigation*, Civ. No. 00-1990 (D.N.J.). After prosecuting securities fraud claims against BMS for more than five years, Labaton Sucharow reached an agreement to settle the claims for \$185 million and significant corporate governance reforms. This settlement is the second largest recovery against a pharmaceutical company, and it is the largest recovery ever obtained against a pharmaceutical company in a securities fraud case involving the development of a new drug. Moreover, the settlement is the largest ever obtained against a pharmaceutical company in a securities fraud case that did not involve a restatement of financial results.
- On behalf of Lead Plaintiff New Mexico State Investment Council, Labaton Sucharow serves as Lead Counsel in *In re Broadcom Corp. Securities Litigation*,

No. CV-05036-R (C.D. Cal.), a case stemming from Broadcom Corp.'s \$2.2 billion restatement of its historic financial statements for 1998-2005 - the largest restatement in history due to options backdating. In December 2009, New Mexico reached an agreement-in-principle with Broadcom and two individual defendants to resolve this matter for \$160.5 million, the second largest up-front cash settlement ever recovered from a company accused of options backdating.

- In *In re Mercury Interactive Corp. Securities Litigation*, Civ. No. 5:05-CV-3395 (N.D. Cal.), Labaton Sucharow reached an agreement to settle for \$117.5 million, a figure representing one of the largest known settlements or judgments in an options backdating suit. The allegations in *Mercury* concern backdated option grants used to compensate employees and officers of the Company. Mercury's former CEO, CFO, and General Counsel actively participated in and benefited from the options backdating scheme, which came at the expense of Mercury shareholders and the investing public. Labaton Sucharow and Hewlett-Packard's counsel executed a Stipulation of Settlement and the Court granted preliminary approval of the settlement on June 2, 2008. On September 25, 2008, the Court granted final approval of the settlement.
- In the well-known *In re Prudential Securities Inc. Limited Partnership Litigation*, Civ. No. M-21-67 (S.D.N.Y.), the late Judge Milton Pollack cited the "Herculean" efforts of Labaton Sucharow and its Co-Lead Counsel and, in approving a \$110 million partial settlement, stated that "this case represents a unique recovery – a recovery that does honor to every one of the lawyers on your side of the case."

- *In re Vesta Insurance Group, Inc. Securities Litigation*, Civ. No. CV-98-AR-1407 (N.D. Ala.). After years of protracted litigation, Labaton Sucharow secured a settlement of \$78 million on the eve of trial.
- *In re St. Paul Traveler's II Securities Litigation*, Civ. No. 04-4697 (JRT/FLN) (D. Minn.), the second of two cases filed against St. Paul Travelers by Labaton Sucharow LLP, arose from the industry-wide insurance scandal involving American International Group, Marsh McLennan, the St. Paul Companies and numerous other insurance providers and brokers. On July 23, 2008, the Court granted final approval of the \$77 million settlement and certified the settlement Class.
- In *In re St. Paul Travelers Securities Litigation*, 04-CV-3801 (D. Minn.), Labaton Sucharow was able to successfully negotiate the creation of an all cash settlement fund to compensate investors in the amount of \$67.5 million in November 2005. This settlement is one of the largest securities class action settlements in the Eighth Circuit.
